**Trunk or Treat—
What an event!!!**

I have never experienced a Trunk or Treat before so this was amazing. The support and the fun that was had by all was amazing. Our kids did have a fun time.

I would like to thank many people for their help:

First let's start with the **teachers**. You all have been amazing since I started as the Superintendent and have all helped out when and where

needed. You are an amazing group of people.

Second, to the **Spirit Youth**- a big thank you. I would like to thank each and every **Youth** that came to help with all the kids that were running around. I have heard you all did a great job and we are happy to see the Youth involved with the younger groups.

Lastly, I'd like to thank the **parents** that volunteered candy so their little ones would have a fun time..

We are planning an even better Trunk or Treat for

next year, so I'm excited to see what a hit it will be.

Parents, please note these special points of interest:

- * Sunday School starts at 9:30 in the Sanctuary.
- * So that our teachers can attend the late service please be respectful and have your children picked up by 10:30.
- * We desire every child to be in Sunday School class, but have noticed children on the playground during 9:30-10:30. Please make sure you know where your children are!

One happy child at Trunk or Treat!

Sunday School Donations

This quarter we have decided to help the Joshua Station with our offerings. We feel this is a great way to help out a family and replenish a room. All offerings will go to the Joshua Station with every intent to refurbish a home.

We are more than happy to help with other donations. If you feel you have old but in good condition pots/pans, sheets, towels, and other household items you would like to offer to them, please see Brian or Katie to schedule a drop off at the church.

Joshua Station is a non-profit organization and we choose this for our first round of donations because we as a congregation are helping out that it would work well with all our families. Please consider helping out the families that need the help.
